

# ENERGY ASSISTANCE AVAILABLE TO HELP PAY HEAT AND ELECTRIC BILLS

During this time of uncertainty, more and more people may be facing economic hardship. If your household or someone you know is worried about paying for heat and electric bills, apply for Energy Assistance (EAP) today.

Energy Assistance is a federal program to help pay heating and electricity bills. Homeowners may also be eligible for a free heating system repair or replacement.

Due to the COVID 19 outbreak, the Energy Assistance Program (EAP) now only requires proof of one month's income. The deadline for households to apply for EAP benefits has been extended to July 1, 2020.

Contact Three Rivers Community Action to have an application mailed to you or go to [www.threeriverscap.org](http://www.threeriverscap.org) to download an application.

Three Rivers' offices are currently closed to the public, but if you have questions about how to apply, please call. Staff are available to help!

Applications can be submitted by email, fax, mail or can be dropped off in Three Rivers' Rochester, Zumbrota, or Faribault office drop box.
